December	TBD

This can be subject to change. I have scheduled it based on my availability and our usual 4th Sunday meeting. It is mostly still the 4th Sunday but I did have to move the date on a few months so please check your calendars and note accordingly.

I will still send out the monthly e-mail reminders the week of our luncheon.

Also, if any movies or events of interest come up in any month, let's consider doing them in addition to lunch!
